PLAN SD 7444 & PLAN SD 7544

ORDNANCE SURVEY

Scale: 1:2500 or 25:344 inches to 1 mile

Revised October 1967  
Levelled 1952

The West half of this sheet is Plan SD 7444  
The East half of this sheet is Plan SD 7544

PLAN SD 7444 & PLAN SD 7544

Map published by the Director General of the Ordnance Survey, Southampton, 1969.  
Reconstituted from former County Series plans and revised 1967.  
© Crown Copyright 1969.

**VEGETATION CLASSIFICATION.** Where space permits, tree and scrub symbols in woods are shown in groups of Four, Three, Two or One to indicate Close, Medium, Open or Scattered density of trees or scrub.

**Antiquities** (site of) **Change of boundary mering** **Limit of area within which the acreages of individual parcels are not shown**

**Base of Bank** **Centre of Bank** **Centre of Canal, etc** **Centre of Drain, etc** **Centre of Covered Stream**

**Bench Mark** **Parcels joined for acreages**

**Levelling Information**  
Altitudes of Bench Marks and Surface Levels are given in feet above the Newlyn Datum.  
Bench Mark lists, containing fuller and possibly later levelling information, are obtainable from the Director General, Ordnance Survey.

**Boundary Mering Abbreviations**  
Centre of Old Course of Stream...COC  
Centre of Bank...CB  
Centre of Canal, etc...CC  
Centre of Drain, etc...CD  
Centre of Covered Stream...CCS

**Face of Wall** **Side of River, etc** **Track of Hedge** **Track of Stream** **4 feet from Root of Hedge** **Face of Fence**

**Face of Wall** **Side of River, etc** **Track of Hedge** **Track of Stream** **4 feet from Root of Hedge** **Face of Fence**

**REFERENCE**  
For fuller information see Reference Card published separately.

**NATIONAL GRID REFERENCE**  
The lines on the plan form part of the National Grid and are spaced at 100 metre intervals.  
To give a large scale reference defining the position of a point to the nearest 10 metres proceed as follows—

**EXAMPLE: v in River Ribble**

| EASTING                                                                                                         | NORTHING                                                                                                       |
|-----------------------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------|
| Take west edge of square in which point lies and read the figures opposite this line on NORTH and SOUTH margins | Take south edge of square in which point lies and read the figures opposite this line on EAST and WEST margins |
| Estimate tens of metres from the grid line                                                                      | Estimate tens of metres from the grid line                                                                     |
| 752                                                                                                             | 442                                                                                                            |
| 753                                                                                                             | 443                                                                                                            |

**TEN METRE REFERENCE:** SD 75274425

For further information see "The Projection for Ordnance Survey Maps and Plans and the National Reference System".  
The representation on this plan of a road, track or path is no evidence of the existence of a right of way.  
1 square inch on this plan represents 960 ft on the ground.  
The alignment of roads shown is approximate.

**PARCEL NUMBERS AND ACREAGES**  
The number and acreage of each parcel of land is shown within the parcel. It is important when identifying a parcel to specify the number(s) of the plan(s) on which it falls.

**IN PARCELS DIVIDED BY THE SHEET EDGE, THE ACREAGES ARE SHOWN TO SHEET EDGE ONLY.**  
To convert acres to hectares multiply by 0.40468  
To convert hectares to acres multiply by 2.47104
