Re: Local Highway Maintenance Challenge Fund Letter of Support

Hyndburn Borough Council understands that the Department for Transport has made £198m available to enable local highway authorities in England to bid for major maintenance projects.

The proactive maintenance of Highway Structures supporting the road network throughout Lancashire is essential and therefore Hyndburn Borough Council is happy to support your bid to the Local Highway Maintenance Challenge Fund for the repair of Retaining Walls and Highway Structures.

Yours faithfully

Simon Prideaux
Head of Planning & Transportation
