.....

Write the names of people in your family, and the months of their birthdays

.....

.....

.....

Draw a picture to show your birthday

Please write under each picture which special day it shows.

.....

.....

.....

.....

We have 365 days in a year except for Leap Years which come every fourth year and have 366 days. Each month has a set number of days.

**January - 31 days**

**February - 28 days, or 29 days if it is a Leap Year**

**March - 31 days**

**April - 30 days**

**May - 31 days**

**June - 30 days**

**July - 31 days**

**August - 31 days**

**September - 30 days**

**October - 31 days**

**November - 30 days**

**December - 31 days**

*Here is a rhyme to help you to remember the number of days in each month.*

Thirty days hath September,  
April, June, and November;  
All the rest have thirty-one,  
Excepting February alone,  
And that has twenty-eight days clear  
And twenty-nine in each leap year.
