- Improving roads and transport
- Protecting and improving our environment

Our organisation

Responding to significant financial, policy and service challenges means adapting our organisation to ensure it is fit for purpose while striving to ensure our customers receive the highest standards of service. This objective will shape the organisation in the future

The purpose of this job:

To provide an outcome focussed assessment service to all adults with physical disabilities or age-related problems.

The post holder will be required to:

- Provide a professional occupational therapy service in a community setting in line with the Care Act (2014).
- Contribute to service delivery that is person centred and outcome focussed with an emphasis on promoting and maintaining independence through provision of specialist equipment and adaptations
- Work collaboratively with other professionals and agencies to address complex needs and achieve best outcomes for individuals and their carers

- Direct line management and supervision of junior occupational therapists, occupational therapy support officers, social care support officers and students, as required

Core tasks

1. To lead, support and provide guidance to the Customer Services team, screening, and allocation of new referrals, signposting and delegating as appropriate for people in need of service
2. To deliver professional occupational therapy assessments and interventions, carrying a high proportion of complex cases requiring advanced clinical reasoning skills and extensive knowledge of specialist equipment, adaptations, and moving and handling
3. To contribute to the delivery of occupational therapy within a social care setting as outlined in national legislation and guidance and in line with county policies and procedures
4. To promote the take up of equipment and adaptations in order to maximise independence, improve quality of life for people and carers, reduce/prevent/delay the need for formal/residential care and hospital admission, whilst ensuring a cost-effective service
5. To communicate effectively with people in need of services, carers, other agencies, and professionals to support the delivery of a co-ordinated response to customer and carer needs
6. To effectively prioritise and manage a varied caseload whilst supporting junior staff and students
7. To keep effective records in relation to the work undertaken using social care electronic records
8. To undertake supervision and line management duties as delegated by the team manager
9. To operate at a high level of autonomy and decision making and support junior staff with complex cases and clinical decision making
10. Take responsibility for and lead specific projects as required
11. To contribute to effective team working and service development and to work with management to identify improvements that could be introduced to enhance the efficiency and effectiveness of the Directorate
13. To undertake continuous professional development (CPD), attendance at both formal and informal training and supervision, and mentoring junior staff and students
14. To be actively involved in the development of the occupational therapy service within adult social care and to provide learning opportunities and placements to students and apprentices, as required
15. To provide professional advice and support to staff across adult social care and key stakeholders
16. Undertake work and act in a consultative role in relation to specialist equipment, adaptations, and training.

- 17. Represent adult social care with partner agencies as and when required
- 18. Coordinate and chair team meetings as and when required and provide training and development sessions
- 19. Investigate complaints as delegated by team manager
- 20. To undertake any additional duties as deemed appropriate by the team manager

The post holder is expected to carry out their duties and responsibilities in accordance with the County Council's Policies and Procedures and the Directorate's Statement of Principles and Standards of Conduct.
