

Arthurs Lane Hambleton

Statement of Reasons

The purpose of this proposal is to introduce two new junction tables on Arthurs Lane. One situated at the junction with Rowan Lane and one situated at the junction with Goat Willow Drive. This proposal seeks to slow traffic and allow safe passage of pedestrians due to the increase in traffic from the new housing development.

These proposals are being carried out under a Section 278 Agreement by the developer and are linked to the new housing development.
