

Cumeragh Lane, Whittingham

Statement of Reasons

The proposals are being pursued as part of a s278 Agreement under the Highways Act 1980 as part of a new housing development which will introduce further traffic and pedestrian movements on Cumeragh Lane.

The purpose of the proposed speed cushions and junction table are to improve the safety of motorised and non-motorised users, mitigating against additional traffic flows from the new housing development and to improve the sustainability and social inclusion of pedestrians on Cumeragh Lane.
