The purpose of this proposal is to formalise the No Waiting At Any time restriction that is currently on site to allow for effective enforcement. There will be no changes to the restriction or its extent on site, therefore drivers will not be subject to any changes as a result of this proposal.

#### **REASONS UNDER Section 1 of the RTRA**

- (a) for avoiding danger to persons or other traffic using the road or any other road or for preventing the likelihood of any such danger arising.
- (c) for facilitating the passage on the road or any other road of any class of traffic (including pedestrians).

**Ribby Road (Outside No. 99), Kirkham**

**EXISTING**

[Drawing No. 23-24\(2\)/FY2-SR](#)

The purpose of this proposal is to formalise the Residential Disabled Parking Bay outside of number 99 Ribby Road, Kirkham.

This bay was installed without the creation of a Traffic Regulation Order; however users of the bay have identified issues with people parking in the bay that are not using it for its intended use. Formalising the bay with an Order will allow for effective enforcement.

#### **REASONS UNDER Section 1 of the RTRA**

- (c) for facilitating the passage on the road or any other road of any class of traffic (including pedestrians).
