

Statement of Reasons Rhyddings Street and Union Road Oswaldtwistle

The purpose of this proposal is to introduce double yellow lines to prevent obstructive parking behaviour, allowing for the safe use of the mini-roundabout and access of the premises along Rhyddings Street and to maintain visibility along this road.

The limited waiting bay will be shortened slightly on Union Road and replaced with double yellow lines to allow vehicles to safely manoeuvre on egress of the roundabout.

These proposals are being funded by Section 278 monies by the developer and are linked to the new retail development.
