Create a UK Visas and Immigration (UKVI) account

You need to create a UKVI account to:

- view your immigration status (eVisa) online
- access someone's account so you can help them get an eVisa
- act on behalf of someone who cannot manage their account. For example, a young child or vulnerable person
- confirm your identity, update your details or get proof of your immigration status

You will need the following details either for yourself or someone you're acting on behalf of:

- date of birth
- a biometric residence permit (BRP), passport or other identity document
- access to your email address or phone number

If you want to give someone access to your account, you will need their email and phone number.
