This supplement provides details of Community, Voluntary Controlled, Voluntary Aided, Foundation and Academy Primary Schools in the Hyndburn, Ribble Valley, Burnley, Pendle and Rossendale areas. The policy for admission to Community and Voluntary Controlled Schools can be found on page 4.

For Voluntary Aided and Foundation Schools and Academies a summary of the admission policy is provided in this booklet under the entry for each school. Some of these schools may operate different admission arrangements and you are advised to contact individual schools direct for clarification and to obtain full details of their admission policies.

These criteria will only be applied if the number of applicants exceeds the published admission number. A full version of the admission policy is available from the school and you should ensure you read the full policy before expressing a preference for the school.

Where the school has a nursery class, the number of nursery pupils is in addition to the number on roll.

POLICIES ARE ACCURATE AT THE TIME OF PRINTING AND MAY BE SUBJECT TO CHANGE.

**How do infant school to junior school transfers work?
(Year 2 to Year 3)**

In Lancashire, there are 5 infant and 5 junior primary schools. These are separate establishments but are closely linked.

These are:-

- Ribbleton Avenue Infants and Ribbleton Avenue Juniors (Preston)
- Leyland Methodist Infants and Leyland Methodist Juniors (South Ribble)
- Leyland St Andrew's CE Infants and Woodlea Juniors (South Ribble)
- Rosegrove Infants and Lowerhouse Juniors (Burnley)
- Whitefield Infants and Lomeshaye Juniors (Pendle)

If the junior school is able to admit all Year 3 applicants, then this will be arranged locally and will automatically happen each September. If, however, there are more applicants for Year 3 than available places (and anybody may apply for a Year 3 place – including new to area families), then a formal admission round will take place using the determined admission criteria (please see above).

For these pairs of schools, the sibling criterion will be applied across the full age range ie Reception to Year 5 for Reception and Year 3 admissions, and reception to Year 6 for in-year requests

In the event that during the period specified for attendance at worship the churches have been closed for public worship and have not provided alternative premises for that worship, the requirements of these admissions arrangements in relation to attendance will only apply to the period when the churches have been available for public worship.

Each Lancashire Primary School and Academy has a published admission number which confirms its number of reception admissions each September.

These will, on occasion, increase where strategic place planning issues allow and/or where decisions can be implemented in time for the effective co-ordination of the admission process.

Admission Criteria for Community & Voluntary Controlled Schools

When a school is oversubscribed on parental preferences, then the following priorities apply in order:

1. Looked after children or a child who was previously looked after, but immediately after being looked after became subject to an adoption, child arrangement order, or special guardianship order or those children who appear to the school to have been in state care outside of England and ceased to be in state care as a result of being adopted, then,
2. Children for whom the Local Authority accepts that there are exceptional medical social or welfare reasons which are directly relevant to the school concerned, then,
3. Children eligible for services premium, then,
4. Children with older brothers and sisters attending the school when the younger child will start, then,
5. Remaining places are allocated according to where a child lives. Those living nearest to the preferred school by a straight line (radial) measure will have priority.
The distance criterion which will be used as the tie breaker if there is oversubscription within any of the admission criteria; is a straight line (radial) measure.
If the Local Authority is unable to distinguish between applicants using the published criteria (eg. siblings, those living the same distance from home to school, or families residing in the same block of flats) places will be offered via a random draw.
The distance measure is a straight-line measurement (radial) between the applicant's home address points and the address point of the school (co-ordinates provided by Ordnance Survey data).

When a primary school with a GPA is oversubscribed the following priorities will be applied in order:

1. Looked after children or a child who was previously looked after, but immediately after being looked after became subject to an adoption, child arrangement order, or special guardianship order or those children who appear to the school to have been in state care outside of England and ceased to be in state care as a result of being adopted, then,
2. Children for whom the Local Authority accepts that there are exceptional medical social or welfare reasons which are directly relevant to the school concerned, then,
3. Children eligible for services premium, then,
4. Children living within the school's geographical priority area with older brothers and sisters attending the school when the younger child will start, then,
5. Children living within the school's geographical priority area, then,
6. Children living outside the school's geographical priority area with older brothers or sisters still attending the school when the younger child will start, then,
7. Children living outside the school's geographical priority area.

(Continued on next page)

The distance criterion which will be used as the tie breaker if there is oversubscription within any of the admission criteria is a straight line (radial) measure. If the Local Authority is unable to distinguish between applicants using the published criteria (e.g. twins or same block of flats), places will be offered via a random draw.

The distance measure is a straight line (radial) measure centre of building to centre of building.

Where there are more applicants for the available places within a category, then the distance between the Ordnance Survey address points for the school and the home measured in a straight line will be used as the final determining factor, nearer addresses having priority over more distant ones. This address point is within the body of the property and usually located at its centre. SUMMARY OF POLICY ▼ This is a Voluntary Aided school – please contact the school for full admission details. To apply for a place at this school, please apply online at www.lancashire.gov.uk/schools and use the supplementary information form available from the school.

In the event that there are more applicants than places, after admitting all children with a Statement of Educational Need or Education Health and Care Plan naming the school, the Governing Body will allocate places using the criteria below, which are listed in order of priority.

1. **(a) Children in public care and previously looked after children.**
This means a 'looked after child' or a child who was previously looked after but immediately after became subject to an adoption, child arrangements or special guardianship order, including those who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted.
- (b) Children with special medical or social circumstances affecting the child where these needs can only be met at this school.**
Professional supporting evidence from a professional, e.g. a doctor, psychologist, social worker, is essential if admission is to be made under the criterion for special medical or social circumstances, and such evidence must set out the particular reasons why the school in question is the only school where these needs can be met and the difficulties which would be caused if the child had to attend another school. Parents must submit this evidence to the school by 15th January 2025, if they wish their application to be considered under this criterion.
2. **Residence in the parish of Slaidburn.**
Residence may be defined as the family home at which the child resides regularly on week days. Where the parents live at different addresses, and there is shared parenting, the address used will normally be the one where the child wakes up for the majority of Monday to Friday mornings. If there is any doubt about this, then the address of the Child Benefit recipient will be used. Parents may be asked to show evidence of the claim that is being made for the address used. A map of the parish is available in school.

(Continued on next page)

3. Siblings

Children who have a sibling attending the school on the date of application and on the date of admission. Siblings include step, half, foster, adopted brothers and sisters living at the same address.

4. Children with a parent/guardian worshipping in a church in full membership of Churches Together in England or the Evangelical Alliance or the North West Gospel Partnership which is situated in the Parish of Slaidburn.

5. Children already enrolled at Brennand's Endowed Pre-School.

6. Residence in a neighbouring parish

Neighbouring parishes are defined as parishes from which we have traditionally drawn pupils i.e. Clitheroe, Hurst Green, Mitton, Whitewell, Slaidburn, Grindleton, Chatburn and Downham.

7. Other Children

If in any category there are more applications than places available, priority will be given on the basis of proximity to the school with the nearest home to the school given priority. This will be determined by a radial measure from the centre of the home address to the centre of the school. This will be measured as a direct straight line. In the case of an equal distance measurement a random draw will be held.

SUMMARY OF POLICY ▼ **This is an Academy – please contact the school for full admission details. For this school, please apply online at www.lancashire.gov.uk/schools**

In the event of oversubscription places will be offered first to those living in the priority admission area using the following criteria:

1. Highest priority will be given to looked after children and all previously looked after children who apply for a place at the school including children who appear to have been in state care outside of England and ceased to be in state care due to being adopted.
2. Priority will next be given to children on the basis of psychological, social or medical need. For whom the trust accepts where professional evidence indicates that there are particular psychological, medical or social needs of the applicant should explain why the school is the most suitable or the only school capable of meeting all of their needs and the difficulties that would arise were the child to have to attend a different school. This evidence must be substantiated by at least two relevant qualified professionals who are currently providing direct care/support/treatment to the child on an ongoing basis in their professional capacity, according to the stated medical, psychological or social need e.g. a child or educational psychologist, a child psychiatrist, a general practitioner, an orthopaedic consultant or social worker. Evidence from non-specialist teachers or professionals not qualified in the relevant area would not normally be deemed admissible without compelling supplementary documentation. Supporting evidence to substantiate that the child has an exceptional medical, psychological or social need must be less than six months old and be provided at the time of application in a written format.

(Continued on next page)

3. Priority will next be given to children of staff employed in the Pendle Education Trust, in either of the following circumstances:
 - a) The member of staff has been employed at the Trust for 2 or more years at the time at which the application for admission to the school is made, or
 - b) The member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage
4. Children living within the school's geographical priority area with older brothers or sisters attending the school when the younger child will start. (Map available from the school)
5. Children living within the school's geographical priority area, then
6. Children living outside the school's geographical priority area with older brothers or sisters still attending the school when the younger child will, then
7. Children living outside the school's geographical priority. (Map available from the school)

Tie breaker

The distance measure is a straight-line measurement (radial) between the applicant's home address points and the address point of the school (co-ordinates provided by Ordnance Survey data).

A child's home address will be considered to be where he/she is resident for the majority of nights in a normal school week.

Where the distance between 2 children's homes and the school is the same, random allocation will be used to decide between them. This process will be independently verified.

Geographical Priority Area

The school's GPA includes Burnley and Brierfield. A map is available from the school.

Where the Academy has more applications than places available the governing body will draw up a ranked list based on the criteria listed below and will allocate places accordingly.

Pupils with an Educational Health and Care Plan (EHCP) which names St John Southworth will be admitted. This will reduce the number of places available.

(Continued on next page)

1. A baptised Catholic 'looked after child' or a baptised Catholic child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements or special guardianship order, including those who appear to this admission authority to have been in state care outside of England and ceased to be in state care as a result of being adopted.
2. Other Baptised Catholic children who have a sibling in the school at the time of admission.
3. Baptised Catholic children resident in the parishes of St John Southworth.

6. Other children who have a sibling in the school at the time of admission.

Tie breaker

The distance criterion will be used as the tie breaker if there is oversubscription within any of the admission criteria; it is a straight line (radial) measure.

If Governors are unable to distinguish between applicants using the published criteria (e.g. Siblings, those living the same distance from home to school, or families residing in the same block of flats) places will be offered via a random draw.

The distance measure is a straight line measurement (radial) between the applicant's home address points and the address point of the school (co-ordinates provided by ordnance survey data).

Where there are places available for some, but not all applicants within a particular criterion, allocation will be made on a random basis with lots drawn.

Tie Break

- Where the offer of places to all the applicants in any of the categories listed above would still lead to oversubscription, the available places will be offered to those living nearest to the school. 'straight line distance' will be used as the measure
- If two or more pupils live equidistant from the school, places will be decided by random allocation
- Where there is more than one application from a postal address contained within a block of flats, places will be decided by random allocation

Straight line distance - in all categories, when decisions have to be made between children satisfying the same criterion, children living nearest to the school, using a straight line measure, have priority. The straight line distance will be measured from the centre point of the house to the centre point of the school. These are determined by the local authority.

1. Highest priority will be given to looked after children and all previously looked after children who apply for a place at the school. Looked after children or a child who was previously looked after, but immediately after being looked after became subject to an adoption, child arrangement order, or special guardianship order or those children who appear to the school to have been in state care outside of England and ceased to be in state care as a result of being adopted
2. Priority will next be given to children on the basis of psychological, social or medical need. For whom the trust accepts where professional evidence indicates that there are particular psychological, medical or social needs of the applicant should explain why the school is the most suitable or the only school capable of meeting all of their needs and the difficulties that would arise were the child to have to

attend a different school. This evidence must be substantiated by at least two relevant qualified professionals who are currently providing direct care/support/treatment to the child on an ongoing basis in their professional capacity, according to the stated medical, psychological or social need e.g. a child or educational psychologist, a child psychiatrist, a general practitioner, an orthopaedic consultant or social worker. Evidence from non-specialist teachers or professionals not qualified in the relevant area would not normally be deemed admissible without compelling supplementary documentation.

Supporting evidence to substantiate that the child has an exceptional medical, psychological or social need must be less than six months old and be provided at the time of application in a written format.

3. Priority will next be given to children of staff employed in the Pendle Education Trust, in either of the following circumstances:
 - a) The member of staff has been employed at the Trust for 2 or more years at the time at which the application for admission to the school is made,
 - b) The member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage
4. Children living within the school's geographical priority area with older brothers or sisters attending the school when the younger child will start.
5. Children living within the school's geographical priority area, then,
6. Children living outside the school's geographical priority area with older brothers or sisters still attending the school when the younger child will start, then,
7. Children living outside the school's geographical priority area.

Tie-breaker

The distance measure is a straight line measurement (radial) between the applicant's home address points and the address point of the school (co-ordinates provided by Ordnance Survey data). A child's home address will be considered to be where he/she is resident for the majority of nights in a normal school week. Where the distance between 2 children's homes and the school is the same, random allocation will be used to decide between them. This process will be independently verified.

Geographical Priority Area: Brierfield, Reedley, Nelson.

This includes any "looked after child", "previously looked after children" and any child who was previously looked after but immediately after being looked after became subject to an adoption, residence, or special guardianship order. 'Looked after' means that the child was (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services function. This criteria also includes looked after children and all previously looked after children who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted.

(Continued on next page)

- b) Children with special medical or social circumstances affecting the child where these needs can only be met at this school. Professional supporting evidence from a professional, e.g., a doctor, psychologist, social worker, is essential if admission is to be made under the criterion for special medical or social circumstances, and such evidence must set out the particular reasons why the school is question is the most suitable school and the difficulties which would be caused if the child had to attend another school.
- c) Children who have a sibling attending school on the date of application and the date of admission. Siblings include step, half, foster, adopted brothers and sisters living at the same address.
- d) Children who live within the ecclesiastical parish of Haslingden St. James with Grane St. Stephens and St. John's Stonefold. A map showing the boundaries is available from the school.
- e) Other children

Where there are more applicants for the available places within a category, then the distance between the Ordnance Survey address points for the school and the home measured in a straight line will be used as the final determining factor, nearer addresses having priority over more distant ones. This address point is within the body of the property and usually located at its centre. Where the cut off point is for addresses within the same building, then the single measure between address points will apply and the Local Authority's system of a random draw will determine which address(es) receive the offer(s).

Does your child qualify for Pupil Premium?

From September 2014, all pupils in Key Stage 1 in primary schools (Reception year, Year 1 and Year 2) qualified for a free school meal.

Your child's school will receive over £1000 from the Government for every pupil in the school who is eligible for free school meals. This funding is called 'pupil premium' and can be used by the school to improve pupils' attainment.

Please register your eligibility - even if you don't want to take up the free meals - so that the school can access this extra funding.

To be eligible you must be receiving one of the benefits listed below:

- Universal Credit with a household income of less than £7,400 a year (after tax and not including any benefits you get)
- Income-Based Jobseekers' Allowance
- Income-Related Employment and Support Allowance
- Child Tax Credit, not entitled to Working Tax Credit and household income less than £16,190
- Support under part VI of the Immigration and Asylum Act 1999
- Guarantee element of state pension Credit
- Income Support
- Working Tax Credit 'run on' – the payment you receive for a further four weeks after you finish work

If you are receiving one of the above benefits, please ring the Area Education Office on 01254 220747. They can do an immediate online check for you.

We only require your name, date of birth and national insurance number to do this.

Please note, you still need to register your child with us even if you have an older child already attending school and receiving free school meals.

Definitions for Voluntary Aided & Foundation Schools & Academies for Admission Purposes

The following terms used throughout this booklet are defined as follows, except where individual arrangements spell out a different definition.

DISTANCE

The 'straight line' method of measurement only applies for admission purposes / For transport 'walking routes' are used to determine distance.

PARENTS / FAMILY MEMBERS

A parent is any person who has parental responsibility or care of the child. Where admission arrangements refer to 'parent's attendance at church' it is sufficient for just one parent to attend. 'Family members' include only parents and siblings.

MEDICAL/SOCIAL/WELFARE

Where schools have a medical/social/welfare admission criterion then this should take into account the circumstances of the child and the family. Please note the Local Authority information in the main admissions booklet.

LOOKED AFTER CHILDREN AND PREVIOUSLY LOOKED AFTER CHILDREN

The School Admissions Code [December 2014] states that within the oversubscription criteria, the highest priority **must** be given to looked after children and children who were looked after but ceased to be so because they were adopted (or became subject to a residence order or special guardianship order). This includes children who appear to the school to have been in state care outside of England and ceased to be in state care as a result of being adopted. Relevant, legal documents must be provided to evidence the adoption.

A 'looked after child' (1) or a child who was previously looked after but immediately after being looked after became subject to an adoption(2) child arrangements order (residency order) (3) or special guardianship order (4).

(1) A 'looked after child' is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989) at the time of making an application to a school.

(2) This includes children who were adopted under the Adoption Act 1976 (see section 12 adoption orders) and children who were adopted under the Adoption and Childrens Act 2002 (see section 46 adoption orders).

(3) Under the provisions of s.12 of the Children and Families Act 2014, which amend section 8 of the Children Act 1989, residence orders have now been replaced by child arrangements orders.

(4) See Section 14A of the Children Act 1989 which defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).

Admission Authorities for faith schools may give priority to all looked after children and previously looked after children whether or not of the faith, but they must give priority to looked after children and previously looked after children of the faith before other children of the faith. Where any element of priority is given in relation to children not of the faith they must give priority to looked after children and previously looked after children not of the faith above other children not of the faith.

Timetable for Lancashire Primary Admissions 2025/26

The arrangements for the transfer of pupils to primary schools in September 2024 will, as far as possible, conform to the following timetable.

Sunday 1 September 2024	Apply from this date at www.lancashire.gov.uk/schools (Please remember to press the 'submit' button every time you leave the online system)
Wednesday 15 January 2025	National closing date for primary applications (statutory).
During this period all applications are processed and all preferences are considered against the published admissions policy. Where there are more applications than places available, decisions are made as to which children should be offered the available places. We will liaise and exchange information with all other admission authorities including neighbouring local authorities. The allocation and offer of a secondary school place is finalised.	
Wednesday 16 April 2025	Offers issued to parents*
Friday 2 May 2025	Deadline for requesting a place on the waiting list(s). Requests can be made after this date but won't be included in the first round of reserve offers.
w/c 12 May 2025	Commence ranking of the waiting list
Thursday 22 May 2025	Appeal deadline for Lancashire schools. Deadline for lodging appeals for Lancashire schools 1 st round of hearings.
Tuesday 22 July 2025	Appeals for Lancashire schools submitted by the deadline heard by an independent appeal panel

* If you are not happy with an initial offer the appeals period starts from your receipt of the offer. Appeal information will be issued later as this allows some time for waiting lists to operate.

**Appeals which we receive after the deadline will be slotted into the schedule where possible. We cannot guarantee this however, and late appeals may have to be heard after the agreed date at a second round of hearings. The schedule is subject to change depending upon the availability of appeal panel members, clerks, venue, etc.

The closing date for applications is Wednesday 15 January 2025.

When will I hear the outcome of my application?

If you applied online, you can log back into your application on 16 April 2025 to find out the school we have offered your child.

You should also receive an automated email alert on 16 April confirming your school offer.

If you do not receive an email alert, this could be due to a change in email address. Alternatively, your mail server has delayed the delivery of the email or sent it to your spam or junk mail folder.

You can log into the online application system without having received an alert.

If you applied on time using a paper form we will post you an offer letter by second class post on 16 April 2025.

Unfortunately, offer information cannot be given out by phone.

NOTES

Catching the school bus

Please behave sensibly and responsibly when travelling to and from school for your own safety. If you misbehave you may have your travel pass taken away or be excluded from using school bus services.

1

Be at the stop 5 minutes before. Queue sensibly and keep well away from the kerb. Give a clear signal so the bus driver knows to stop. Make sure you are boarding the bus at the correct stop.

2

Pay your fare and try to have the correct change. Keep your ticket to show the inspector and/or for your return journey.

3

If you use a bus pass/season ticket, it must always be presented to the bus driver - allow time for it to be examined. Bus passes/season tickets are not transferable and should only be used on the service for which they are assigned. If you cannot show a valid pass you must pay your fare. Lost or damaged passes can be replaced for a fee by contacting the County Council on 0300 123 6738.

4

Misuse and fraudulent use of travel passes is treated very seriously and could lead to prosecution.

5

Take your seat, please wear a seat belt if one is provided. Don't take up more than one seat. Place bags in the luggage compartment/under your seat/on your knees. Don't place bags on seats or in the aisle.

6

If all seats are taken, you should stand sensibly behind the driver area and use grab rails where available. You should not stand adjacent to emergency exits, on staircases or upstairs on a double deck vehicle. Do not walk around during the journey.

7

Antisocial behaviour/damage to the bus or anyone's property/bullying on the bus, is taken very seriously and can be reported to the police. Please report incidents to the driver, a teacher or a parent. Do not throw anything whilst on the bus, at the bus or from the bus.

8

All bus and taxi services have No Smoking Policies including all e-cigarettes and vaping devices.

9

Respect others at all times and never distract your driver.

10

Make sure you know which stop you are getting off at and to alert the driver by pressing the bell only once or asking them to stop at the next bus stop.

Never override past the bus stop you have paid for. Overriding could lead to prosecution.

11

When leaving the bus please take the time to thank your bus driver.

12

Remember to take all of your belongings when you leave the bus.

13

Let the bus depart before crossing the road. Find a safe place to cross and remember: Stop, Look and Listen.

14

DO NOT text/use your mobile phone when crossing roads. Remove ear accessories to allow you to hear any oncoming traffic. CONCENTRATE - often accidents happen due to a lack of concentration.
