11. Any other children.

Within each of the categories listed above, the following provisions will be applied in the following order.

Where evidence is provided at the time of application of an exceptional social, medical or pastoral need of the child which can most appropriately be met at this school, the application will be placed at the top of the category in which the application is made.

The attendance of a brother or sister at the school at the time of enrolment will increase the priority of an application within each category.

Tie Break

Where there are more applicants for the available places within a category, then the distance between the Ordnance Survey address points for the school and the home measured in a straight line will be used as the final determining factor, nearer addresses having priority over more distant ones. This address point is within the body of the property and usually located at its centre. Where two addresses have the same distance, or the cut-off point is for addresses within the same building, then the Local Authority's system of a random draw will determine which address(es) receive the offer(s).

Northbrook	Bannister Drive Off Haig Avenue Leyland Preston PR25 2GB 01772 421599	Mr Cuniffe	188	30

SUMMARY OF POLICY ▼ This is an Academy – please contact the school for full admission details.

The criteria will be applied in the order in which they are set out below:

- 1 Looked after children and children who were previously looked after and ceased to be so because they were adopted (or became subject to a special guardianship order) including children who appear to have been in state care outside of England and legally adopted from overseas.
- 2 Children with proven and exceptional medical, special educational or social needs which are directly relevant to the school. The application must be supported by written specific appropriate professional advice (letter from doctor or social worker) as to why admission to the school is necessary. It is the responsibility of parents to show that it is essential for the child to attend the school rather than any other school.
- 3 Siblings of children who will be attending the school on the date when the applicant would be admitted. The term siblings includes brother or sister, half brother or sister, step brother or sister, adopted brother or sister, foster brother or sister and other children living permanently at the same address. Only one address can be used for school admission purposes. This is defined by Trust board as the home in which the child lives for most of the school week.
- 4 Any other applicants.

Tiebreaker.

Where there are more applicants received than places available under any of the above criteria then the distance between the school and the home (as defined above in criterion no 3) will be used as the final determining factor. The distance criterion is a straight line (radial) measured centre of building to centre of building. Where the cut-off point is for addresses within the same building, then the single measure between address points will apply and the Local Authority's system of a random draw will determine which address(es) receive the offer(s) as an effective, clear and fair tie breaker. In the case of the point within school, this will be the school office at the main entrance to the school.

2. Children for whom the Governors accept that there are exceptional medical social or welfare reasons which are directly relevant to Farington Primary School.
3. Children with older brothers and sisters attending the school when the younger child will start, then
4. Remaining places are allocated according to where a child lives. Those living nearest to the preferred school by a straight line (radial) measure will have priority.

Tiebreaker:

The distance criterion will be used as the tie breaker if there is oversubscription within any of the admission criteria; it is a straight line (radial) measure.

If the Local Authority is unable to distinguish between applicants using the published criteria (eg. Siblings, those living the same distance from home to school, or families residing in the same block of flats) places will be offered via a random draw.

The distance measure is a straight line measurement (radial) between the applicant's home address points and the address point of the school (co-ordinates provided by ordnance survey data).

Each Lancashire Primary School and Academy has a published admission number which confirms its number of reception admissions each September. These will on occasion increase where strategic place planning issues allow and / or where decisions can be implemented in time for the effective co-ordination of the admission process.

If you require further information about a Community or Voluntary Controlled School, for example, after-school clubs or extra-curricular activities, please contact the school direct.

SUMMARY OF POLICY ▼ This is a Foundation school – please contact the school for full admission details.
To apply for a place at this school please apply online at www.lancashire.gov.uk/schools

In the event of oversubscription places will be offered first to those living in the priority admission area using the following criteria:

1. Looked after children or a child who was previously looked after, but immediately after being looked after became subject to an adoption, child arrangement order, or special guardianship order or those children who appear to the school to have been in state care outside of England and ceased to be in state care as a result of being adopted, then
2. Children for whom the Governing Body accepts that there are exceptional medical social or welfare reasons which are directly relevant to the school concerned, then
3. Children with older siblings attending the school when the younger child will start. Siblings refers to full, half, adopted, step, foster children or the child of the parents partner, and in every case, the child must be living in the same family unit at the same address, then
4. Children that attend Tarleton Community Primary Tiny Treasures (Nursery) for a full academic year, then
5. Remaining places are allocated according to where a child lives. Those living nearest to the preferred school by a straight line (radial) measure will have priority.

Tiebreak:

Where there are more applicants for the available places within a category, then the distance between the Ordnance Survey address points for the school and the home measured in a straight line will be used as the final determining factor, nearer addresses having priority over more distant ones. This address point is within the body of the property and usually located at its centre. Where two addresses have the same distance, or the cut-off point is for addresses within the same building, then the Local Authority's system of a random draw will determine which address(es) receive the offer(s).

SUMMARY OF POLICY ▼ This is a Voluntary Aided school – please contact the school for full admission details. To apply for a place at this school, please apply online at www.lancashire.gov.uk/schools and use the supplementary information form available from the school.

1. The first oversubscription criterion must always be Looked After, Previously Looked After and Internationally Adopted Previously Looked After Children. As this is a legal requirement, it automatically appears as the first of the school's oversubscription criteria.

2. Priority will be given in exceptional circumstances to a small number of children (or in some cases a close relative of the child) whose mental or physical impairment means they have a demonstrable and significant need to attend this school over any other. Supporting evidence in the form of a letter from a doctor or social worker or other relevant qualified, independent professional, would be required. Medical, health, social and special access reasons will be applied in accordance with the school's legal obligations and does not guarantee that a child will be given priority as each decision will be made on the merits of the individual case.

3. Siblings of pupils attending the school at the time of application.

4. Regular attendance at public worship at Christ Church Newburgh Church of England church. Attendance will be established by information provided on the Supplementary Information Form completed by a member of the clergy or other designated church officer. For the purposes of these admission arrangements 'regular' means attendance at least eight times in the twelve months immediately prior to the date of application.

5. Regular attendance at public worship in any Church of England church. Attendance will be established by information provided on the Supplementary Information Form completed by a member of the clergy or other designated church officer. For the purposes of these admission arrangements 'regular' means attendance at least eight times in the twelve months immediately prior to the date of application.

6. Other children

Tie-breaker

Proximity to the school. We will measure the distance by a straight line. All straight line distances are calculated electronically using a geographical information system. School will measure the distance using a straight-line radial measure. The address point is within the body of the property and usually located at its centre. In the event that two or more children live at the same distance from the school (as can happen with families living in blocks of flats), random allocation, where supervised drawing of lots by an independent responsible person of good standing will be used to decide which child(ren) will be allocated the remaining place(s).

NOTE:

In the event that during the period specified for attendance at worship the church has been closed for public worship and has not provided alternative premises for that worship, the requirements of these admissions arrangements in relation to attendance will only apply to the period when the church or alternative premises have been available for public worship.

The remaining 50% of places (rounded down) will be allocated by a random draw.

Rivington is not served by a bus service and in general children attending the school cannot walk to school. The Governors refer to the shortest distance between the centre of the child's home and the centre of school, travelling using public highways. In the event of a tied distance, measurement between address points on the Local Authority's system will determine which family receives the offer.

The distance criterion will be used as the tie breaker if there is oversubscription within any of the admission criteria; it is a straight line (radial) measure. If the Governors unable to distinguish between applicants using the published criteria (eg. siblings, those living the same distance from home to school, or families residing in the same block of flats) places will be offered via a random draw. The distance measure is a straight line measurement (radial) between the applicant's home address points and the address point of the school (co-ordinates provided by ordnance survey data).

How do infant school to junior school transfers work (Year 2 to Year 3)?

In Lancashire there are 5 infant and 5 junior primary schools. These are separate establishments but are closely linked.

These are:-

- Ribbleton Avenue Infants and Ribbleton Avenue Juniors (Preston)
- Leyland St Andrew's CE Infants and Woodlea Juniors (South Ribble)
- Rosegrove Infants and Lowerhouse Juniors (Burnley)
- Whitefield Infants and Lomeshaye Juniors (Pendle)

If the junior school is able to admit all Year 3 applicants then this will be arranged locally and will automatically happen each September. If however there are more applicants for Year 3 than available places (and anybody may apply for a Year 3 place – including new to area families); then a formal admission round will take place using the determined admission criteria (see above).

For these pairs of schools the sibling criterion will be applied across the full age range – reception to Year 5 for reception and Year 3 admissions and reception to Year 6 for in year requests.

This supplement provides details of Community, Voluntary Controlled, Voluntary Aided, Foundation, Free Schools and Academy Primary Schools in the Preston, South Ribble, West Lancashire and Chorley areas.

The policy for admission to Community and Voluntary Controlled Schools is listed below.

For Voluntary Aided, Foundation, Free Schools and Academies, a **summary** of the admission policy is provided in this booklet under the entry for each school. *Some of these schools may operate different admission arrangements and you are advised to contact individual schools direct for clarification and to obtain full details of their admission policies.*

These criteria will only be applied if the number of applicants exceeds the published admission number. A **full** version of the admission policy is available from the school and you should ensure you read the full policy before expressing a preference for the school.

You are advised to contact Primary Schools direct if you require full details of their admissions policies.

Where the school has a nursery class, the number of nursery pupils is **in addition to** the number on roll.

POLICIES ARE ACCURATE AT THE TIME OF PRINTING AND MAY BE SUBJECT TO CHANGE.

Definitions for Voluntary Aided and Foundation Schools and Academies for Admission Purposes

The following terms used throughout this booklet are defined as follows, except where individual arrangements spell out a different definition.

DISTANCE

The 'straight line' method of measurement only applies for admission purposes. For transport 'walking routes' are used to determine distance.

PARENTS / FAMILY MEMBERS

A parent is any person who has parental responsibility or care of the child. Where admission arrangements refer to 'parent's attendance at church' it is sufficient for just one parent to attend. 'Family members' include only parents and siblings.

MEDICAL/SOCIAL/WELFARE

Where schools have a medical/social/welfare admission criterion then this should take into account the circumstances of the child and the family. Please note the Local Authority information in the main admissions booklet.

LOOKED AFTER CHILDREN & PREVIOUSLY LOOKED AFTER CHILDREN

The School Admissions Code [December 2021] states that within the oversubscription criteria, the highest priority must be given to looked after children and children who were looked after, but ceased to be so because they were adopted (or became subject to a residence order or special guardianship order).

This includes children who appear to the school to have been in state care outside of England and ceased to be in state care as a result of being adopted.

A 'looked after child' (1) or a child who was previously looked after but immediately after being looked after became subject to an adoption(2) child arrangements order (residency order) (3) or special guardianship order (4).

(1) A 'looked after child' is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989) at the time of making an application to a school

(2) This includes children who were adopted under the Adoption Act 1976 (see section 12 adoption orders) and children who were adopted under the Adoption and Children Act 2002 (see section 46 adoption orders).

(3) Under the provisions of s.12 of the Children and Families Act 2014, which amend section 8 of the Children Act 1989, residence orders have now been replaced by child arrangements orders.

(4) See Section 14A of the Children Act 1989 which defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).

Admission Authorities for faith schools may give priority to all looked after children and previously looked after children whether or not of the faith, but they must give priority to looked after children and previously looked after children of the faith before other children of the faith. Where any element of priority is given in relation to children not of the faith they must give priority to looked after children and previously looked after children not of the faith above other children not of the faith.

Does your child qualify for Pupil Premium?

From September 2014, all pupils in Key Stage 1 in primary schools (Reception year, Year 1 and Year 2) qualified for a free school meal.

Your child's school will receive over £1000 from the Government for every pupil in the school who is eligible for free school meals. This funding is called 'pupil premium' and can be used by the school to improve pupils' attainment.

Please register your eligibility - even if you don't want to take up the free meals - so that the school can access this extra funding.

To be eligible you must be receiving one of the benefits listed below:

- Universal Credit with a household income of less than £7,400 a year (after tax and not including any benefits you get)
- Income-Based Jobseekers' Allowance
- Income-Related Employment and Support Allowance
- Child Tax Credit, not entitled to Working Tax Credit and household income less than £16,190
- Support under part VI of the Immigration and Asylum Act 1999
- Guarantee element of state pension Credit
- Income Support
- Working Tax Credit 'run on' – the payment you receive for a further four weeks after you finish work

Please note, you still need to register your child with us even if you have an older child already attending school and receiving free school meals.

When will I hear the outcome of my application?

If you applied online, you can log back into your application on 16 April 2025 to find out the school we have offered your child.

You should also receive an automated email alert on 16 April confirming your school offer.

If you do not receive an email alert, this could be due to a change in email address. Alternatively, your mail server has delayed the delivery of the email or sent it to your spam or junk mail folder.

You can log into the online application system without having received an alert.

If you applied on time using a paper form we will post you an offer letter by second class post on 16 April 2025.

Unfortunately, offer information cannot be given out by phone.

Catching the school bus

Please behave sensibly and responsibly when travelling to and from school for your own safety. If you misbehave you may have your travel pass taken away or be excluded from using school bus services.

1

Be at the stop 5 minutes before. Queue sensibly and keep well away from the kerb. Give a clear signal so the bus driver knows to stop. Make sure you are boarding the bus at the correct stop.

2

Pay your fare and try to have the correct change. Keep your ticket to show the inspector and/or for your return journey.

3

If you use a bus pass/season ticket, it must always be presented to the bus driver - allow time for it to be examined. Bus passes/season tickets are not transferable and should only be used on the service for which they are assigned. If you cannot show a valid pass you must pay your fare. Lost or damaged passes can be replaced for a fee by contacting the County Council on 0300 123 6738.

4

Misuse and fraudulent use of travel passes is treated very seriously and could lead to prosecution.

5

Take your seat, please wear a seat belt if one is provided. Don't take up more than one seat. Place bags in the luggage compartment/under your seat/on your knees. Don't place bags on seats or in the aisle.

6

If all seats are taken, you should stand sensibly behind the driver area and use grab rails where available. You should not stand adjacent to emergency exits, on staircases or upstairs on a double deck vehicle. Do not walk around during the journey.

7

Antisocial behaviour/damage to the bus or anyone's property/bullying on the bus, is taken very seriously and can be reported to the police. Please report incidents to the driver, a teacher or a parent. Do not throw anything whilst on the bus, at the bus or from the bus.

8

All bus and taxi services have No Smoking Policies including all e-cigarettes and vaping devices.

9

Respect others at all times and never distract your driver.

10

Make sure you know which stop you are getting off at and to alert the driver by pressing the bell only once or asking them to stop at the next bus stop.

Never override past the bus stop you have paid for. Overriding could lead to prosecution.

11

When leaving the bus please take the time to thank your bus driver.

12

Remember to take all of your belongings when you leave the bus.

13

Let the bus depart before crossing the road. Find a safe place to cross and remember: Stop, Look and Listen.

14

DO NOT text/use your mobile phone when crossing roads. Remove ear accessories to allow you to hear any oncoming traffic. CONCENTRATE - often accidents happen due to a lack of concentration.
