

### **Statement of Reasons New Road Burnley 30mph Extension**

The proposals are being pursued as part of a **s278** Agreement under the Highways Act 1980 as part of a new development which will introduce further traffic movements.

A new access is to be constructed onto New Road, Burnley. In order to reduce the speed of vehicles approaching and navigating the new junction as well as providing additional protection for all road users and pedestrians, it is proposed to extend the existing 30mph speed limit.

The purpose of this proposal is to introduce a shortened extent of derestricted speed limit along New Road that has resulted as a consequence of extending the 30mph by virtue of street lighting.
