

Blackpool Road, Preston – BSIPS Scheme

Parking Restrictions

STATEMENT OF REASONS

The purpose of the proposed parking restrictions are to help improve bus services on Blackpool Road & Tulketh Brow, Preston which is a part of the wider Bus Service Improvement Plans (BSIPS).

The implementation of various waiting restrictions on Blackpool Road, St Andrew's Avenue, Newton Road and Tulketh Brow will help to ease congestion and improve traffic flow, allowing buses to align correctly with the raised boarding area and depart safely.

These proposals will work together with proposed Bus Stop Clearway introductions to enhance overall bus journey times for the Superbus route from Fylde into Preston City Centre.
