

Catforth Village Traffic Calming

Statement of Reasons

20mph and 30mph SLO

There is an aspiration by the Parish council to introduce traffic calming measures through Catforth Village and a reduction of the speed limit through the village and on the approach to it.

It is proposed to introduce new 20mph and 30mph speed restrictions on the approach to the village along Rosemary Lane, Lea Lane, School Lane and Catforth Road. This will provide a safer environment for pedestrians, cyclists, and equestrian traffic. The proposal will reduce the potential for accidents and improve general road safety.
