Dear Megan,

I have used the path between Moss Lane to Mossy Lea Road, firstly when I rode at Roodcrafts Riding School. This began when I was eleven years old in 1976 - 1980. This path was regularly used when we went on 2 hour or 4 hour hares to Stanshish or Rivington.

I later used the route when I was employed at Hensell House, as I frequently rode a friend's horse in my lunch hour and on days off, which was stabled on Mossy Lea Road. This was a nice circular route, using Tonley Lane to return.

Since I was 18, I have owned ~~map~~ horses and have used the route on a regular basis, only to find it obstructed and I was unable to get my mount to go through, at the Mossy Lea End.

If you require any further information please do not

hesitate to contact me.
