Dear Madam

Please can you tell me why the footpath (F1P) 21 Wightington Moss Lane to Mossy Lea Road -bridleway 804561) is no longer accessible?

I cycle on it with my young daughter from Standish to Rookcroft riding stables every two weeks. We are now forced to cycle over the M6 and through heavy traffic outside the B.P. petrol station in Wightington + along busy roads. With an 8 year old

child it is now more dangerous to be cycling to her stables.

I look forward to hearing from you.

Yours faithfully

Y J Moogan
