

**LANCASHIRE COUNTY COUNCIL
(GORSEY LANE, HIGH STREET, NEW STREET AND SMITHY LANE,
MAWDESLEY, CHORLEY BOROUGH) (ROAD HUMPS)**

Legal Reference: LSG4/894.17691/AFR

**STATEMENT OF REASONS FOR MODIFICATION
(REMOVAL OF GORSEY LANE AND SMITH LANE PROPOSED ROAD HUMPS)**

Following the objections from the Parish Council the location of the road humps was reconsidered and the road humps on Smith Lane and Gorse Lane can be removed as the speed reduction would not be significant as vehicles already need to stop at the junction and the priority at the junction is not changing. The road humps on New Street and High Street are considered necessary to reduce vehicle speeds along New Street and High Street as this is a through route.
