We will be responding in full at a later date with our strong objections to this proposal but would first like to clarify a point

It is our understanding that as joint landowners, Wray-with-Botton Parish Council, as the applicants, should have served both my wife and myself individual notices rather than the joint one actually served (copy attached) as the application guidance states that an individual notice will need to be completed for each owner or occupier and that failure to do so will invalidate the application. I would be grateful if you could clarify this point as the fact that you have sent Lancashire County Council notifications to both myself and my wife individually makes me now further suspect that the Parish Council may have failed to properly serve their application and therefore have rendered it invalid

Also can I point out that my name is not James Parr as your letter has address me but Carl Parr. Yes, James is my middle name but I have never been referred to as James nor at any time used it as a pseudonym. I would appreciate it if I could be addressed in future by my given forename of Carl

Dear Mr Parr,

Many thanks for your response to this matter. I look forward to receiving your full response in due course.

You are quite correct regarding serving notices though Lancashire County Council is still under a duty to investigate these matters whether or not notice is served correctly by the applicant. I shall inform the applicant of this oversight and see that they serve separate notices.

My apologies regarding the use of your middle name rather than given forename in previous correspondence, I have updated your contact details accordingly.

Kind regards

Hi Simon,

Your email below has been forwarded to our Planning department and as I have been involved with this matter, I feel that it may be worthwhile making you aware of a relative planning condition.

To formally recognise the footpath as a public right of way would reflect the requirement of condition 13 on planning permission 99/00664/FUL – ‘erection of one dwelling’ on land between no 30 & 34 Wennington Road (see below) and confirm its rationale for its imposition (i.e. the City Council’s view of the importance of this pedestrian link).

13. In accordance with this permission a public pedestrian access from Wennington Road to the land to the south of this site shall be maintained to a minimum width of 2 metres as indicated on the submitted plan and there shall be no direct vehicular or pedestrian access to the development hereby approved on the Wennington Road frontage.  
Reason: In the interests of highway safety and to safeguard pedestrian access.

Yours sincerely

Re: Wildlife and Countryside Act 1981 – Part III  
Application for Definitive Map Modification Order  
Addition of public footpath from Wennington Road to Home Farm Close, Wray

I am joint owner of land between 30 and 32 Wennington Road, Wray and land to the rear of 32 Wennington Road, Wray. I am aware that an application has been submitted for a DMMO to add a public footpath over this land and I wish to raise my initial objections to this.

32 Wennington Road, Wray was built in 2000 and my husband and I took ownership of the house in 2010. Since then the public have used our land as a cut-through between Wennington Road and Home Farm Close but this has not been uninterrupted use. On five occasions (dates can be provided if necessary), access has been restricted to authorised persons only. This can be evidenced by photographs and documents provided by the applicant. Additionally on 1<sup>st</sup> April 2020 a deposit was made to Lancashire County Council under s31(6) of the Highways Act 1980 and s15A(1) of the Commons Act 2006.

The application refers to planning permission dated 18<sup>th</sup> October 1999 which states that a public pedestrian access from Wennington Road to the land to the south of this site shall be maintained to a minimum width of 2 metres. I am in possession of a Land Registry document which post-dates the planning permission (2000) which states that the only access over our land is for the garage owners/users to a width of 1.8 metres. The Chair of Wray Parish Council is aware of this document and has had sight of it. It is my belief that further planning permission must have been granted as the layout of 32 Wennington Road is completely different to that for which the first planning permission was sought and that documentation has been mislaid with the passage of time.

I understand that the land under discussion used to form part of a farm track which led from Wennington Road to Home Farm, Main Street, Wray and historically local residents used the track as a shortcut. Following the development of Home Farm Close, the owner of one of the properties

successfully closed the track over their land off as private land and subsequently gated it off. This was in fact the Chair of the Applicant, Wray Parish Council and I find the hypocrisy of this unpalatable.

I assert that it would be unsafe for a public right of way to be granted over the land under discussion as it is in regular use for vehicular access to the rear of 32 and 34 Wennington Road and to the garages. It also opens directly into the carriageway of the busy B6480.

I hereby provide you with details of owner/tenants who may be affected by the application:

Mr and Mrs P Garrod, 34 Wennington Road, Wray

Mr and Mrs A Taplin, 30 Wennington Road, Wray

Occupant of 28 Wennington Road, Wray (name unknown – it is a rented property owned by Mr J Wright, The Chapel, Main Street, Wray)

Mr and Mrs C Wright, 22 Wennington Road, Wray (garage owner)

Mr P Edge, 20 Wennington Road, Wray (garage owner)

Occupant of 18 Wennington Road, Wray (garage owner)

Yours sincerely

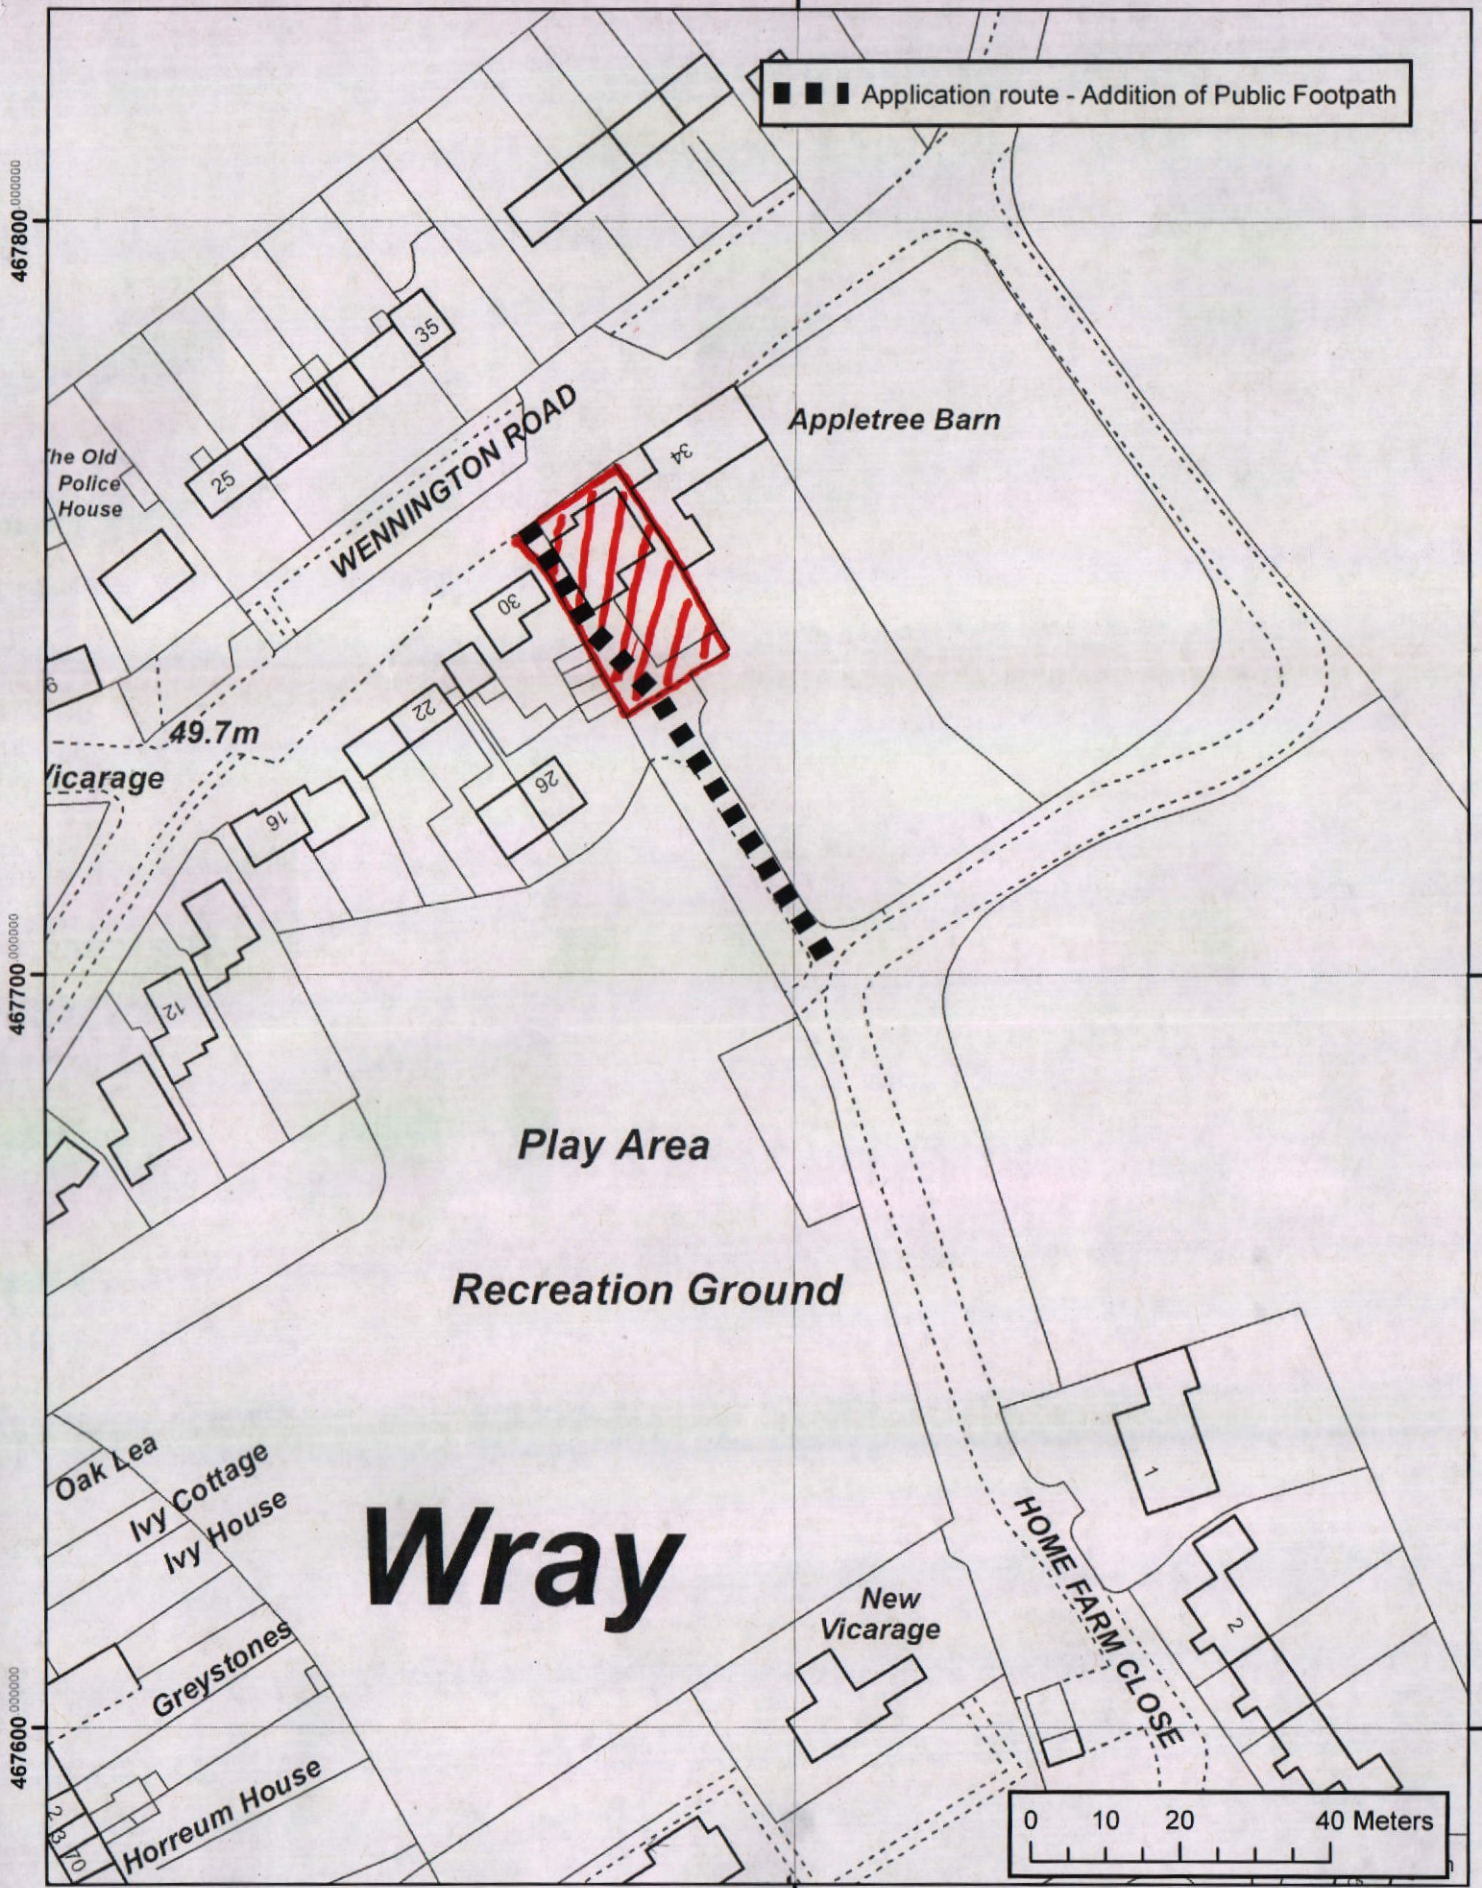

Mrs Sally Parr
