

Wraparound social media suggestions for providers

Background

We know many working families with primary school children need before or after-school childcare known as 'wraparound'.

Wraparound covers provision for pupils in England during term time between 8am and 6pm, including breakfast clubs, sports clubs or music groups.

As part of the government's biggest childcare investment, they're increasing the number of wraparound childcare places, available nationwide from September.

Key messages

- Even more parents of primary school children in England can access before and after-school childcare such as regular provision that runs between 8am and 6pm or later.
- If eligible, you can use Tax-Free Childcare or Universal Credit Childcare to help pay for wraparound childcare.
- Speak to your child's school or local authority's Family Information Service to find out more.

👨👩👧 To support more working families, parents of primary school children in Lancashire can benefit from an increase in wraparound childcare.

This includes regular before and after school clubs usually running from 8am until 6pm, either on a school site or at another local setting.

Eligible families can use Tax-Free Childcare or Universal Credit Childcare to help with costs.
