

Statement of Reasons
Caton Road Lancaster

It is proposed to introduce a goods vehicle loading bay restriction on Caton Road, Lancaster, to ensure that delivery vehicles servicing the student accommodation at this location can carry out collections and deliveries throughout the day and night without causing obstructions on the highway network.

The proposal also seeks to amend the Traffic Regulation Order to match the existing road markings already historically in-situ, allowing for effective enforcement.

These proposals are being funded by Section 278 monies by the developer and are linked to the new student accommodation development.
