

Extract from the Draft Statements for Fulwood

- alongside the hedge in the next field and cut into Scott's farmyard through a wicket gate.
45. Footpath To Garstang Road opposite Durton Lane. Starts in Lightfoot Lane 50 yards east of the entrance to Silver Hill Farm House, and leads by means of a well defined lane to the U.D. Boundary
46. Footpath To Walker Lane and Black Bull Lane. Starts from a stile in Lightfoot Lane on the west side of the railway just beyond the railway bridge and runs alongside the fence on top of the railway embankment. There is a second stile at the end of the first field which leads on to a footbridge across Sharoe Brook where the path divides.
47. Footpath To Sandyforth Lane. Starts from a five barred gate opposite Lightfoot Lane (Lightfoot House), leading into the garden of Lightfoot House Cottages, and proceeds over a stile into a field running along the hedgeside to the U.D. Boundary.
48. Footpath To Walker Lane. Starts from a squeezer stile adjacent to the second five barred gate on the west side of Lightfoot House, Lightfoot Lane, leads across the field to another squeezer stile and then across the next field and enters Walker Lane by a third squeezer stile.
