

LANGUAGE AND STORY

Vocabulary is used in the talk through story sessions with words, pictures and actions to describe and talk through the word.

UNDERSTANDING THE WORLD

Key vocabulary is planned during the planning meetings from the long term plan.

RETRIVAL

Vocabulary which has been learnt is revisited each week from the previous week and children remember actions and pictures to help them.

VOCABULARY IN EYFS

MATHS

Maths vocabulary is planned from the medium term plan and staff made aware of the language. This is then used in challenge areas and adult interactions .

WATER, SAND, CREATIVE

Examples of language is in each area with pictures, this supports adult interactions and the language to use and also available for the children to see a language rich environment.
