Dear Jayne,

I can confirm that that this is the route which was agreed by the Thurnham Parish Council in our letter to Saleha Khalid of the 8th March 2010.

This is the route claimed by a many members of the public, as being used as a footpath for many years.

Regards,

Colin Wright,

Parish Clerk, Thurnham PC

Hello Colin,

Thankyou for meeting me on 6th March at Conder Green picnic site to discuss the correct alignment of the Order route.

I have attached a copy of the Order plan showing the route that I understand to be the one claimed by the parish council passing Pennyhill and Waterloo marked by a thick red line.

Could you please confirm that the line marked red correctly shows the exact route used by the users that have completed evidence of use forms submitted as part of your application. Only when we are confident that the full length of the route shown on the Order plan (as amended) is the one that has been used by members of the public can we make a decision whether we can ask for the Order to be modified or determine whether we need to start again with a new Order.

Jayne
