

DE1 Permit Zone Poulton-le-Fylde

Statement of Reasons

Concerns have been raised regarding residents parking in the area of the eastern end of Derby Road and also Elletson Street due to the external influence of local businesses, leisure facilities, the local train station and the lack of sufficiently accessible off-road parking for some properties.

This location has met our minimum criteria for the introduction of a permit parking scheme with significant historical support which has been received from residents and the local County Councillor.

To address these issues, the County Council is proposing a permit parking scheme involving the possible introduction of a 'Permit Parking Area' for the residents.

REASONS UNDER Section 1 of the RTRA

- (a) for avoiding danger to persons or other traffic using the road or any other road or for preventing the likelihood of any such danger arising
- (c) for facilitating the passage on the road or any other road of any class of traffic (including pedestrians)
- (f) for preserving or improving the amenities of the area through which the road runs
