

Bus Services Improvement Plan
Gamull- Longridge Road parking Review

STATEMENT OF REASONS

It is proposed to introduce a No Waiting at Any Time restriction, adjacent to the proposed Bus Stop Clearway on Longridge Road, as parked vehicles are currently creating problems with bus manoeuvres.

The purpose of this proposal is to prevent obstructive parking by vehicles, and seeks to improve bus services as part of the wider Bus Services Improvement Plans (BSIPs), allowing the safe passage and manoeuvring of the local bus.

REASONS UNDER Section 1 of the RTRA

- (a) for avoiding danger to persons or other traffic using the road or any other road or for preventing the likelihood of any such danger arising, or

- (c) for facilitating the passage on the road or any other road of any class of traffic (including pedestrians), or

- (f) for preserving or improving the amenities of the area through which the road runs
