

PIVATS

.....assessment of progression in learning, and effective target setting for pupils well below national expectations for their age.

Available in electronic (PDF) and hard copy format the foundation of PIVATS assessments are the milestones and indicators.....

PIVATS 5 – comprises of:

- "Listening & Understanding"
- "Number"
- "Reading"
- "Shape, Space & Measure"
- "Talking & Communication"
- "Using & Applying"
- "Writing"

PIVATS PSED – includes:

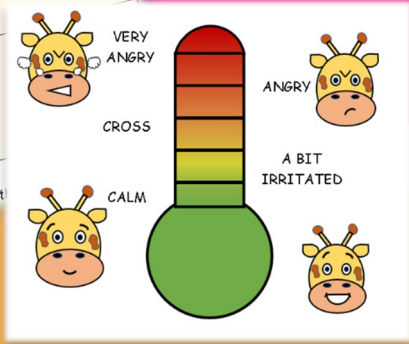

- "Behaviour Management"
- "Educational Awareness"
- "Personal Independence & Self Help"
- "Social Awareness & Relationships"

Now Available! Individual PIVATS 5 Milestones

In addition to the full sets, PIVATS milestones can now be purchased in individual electronic (PDF) and hard copy booklet format in the following areas:

- Language & Communication
- Maths
- Reading
- Writing

To supplement the milestones we have developed a number of PIVATS resources to enhance the assessment and recording processes.....

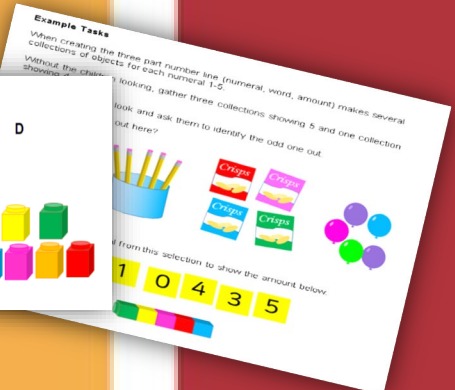

PIVATS PSED Toolkit

Designed with flexibility and time-saving in mind, the PIVATS PSED Toolkit works in conjunction with the PSED milestones, providing information cards and editable resources to assist with the assessment of all children, not just specifically those children with SEND.

PIVATS 5 Extension Packs

Embedded hyperlinks within the areas of "Language & Communication", "Reading" and "Number P6 to Milestone 2" take users to associated resources to support the PIVATS assessment process.

Additionally, a new version is currently under construction in the area of "Number Milestones 3 & 4"

PIVATS 5

PIVATS

An Introduction to PIVATS 5

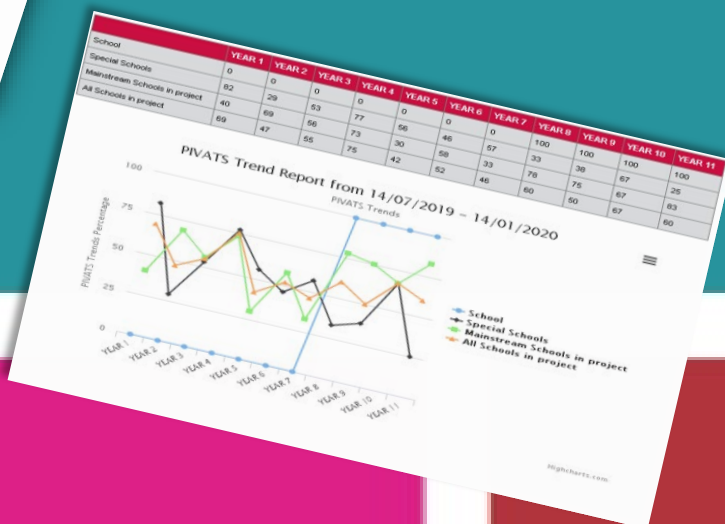

PIVATS Webinars

Designed to run as staff meeting/INSET sessions the following PIVATS Webinars have been recorded, accompanied by practical activity packs to enable group participation:

- "An Introduction to PIVATS 5"
- "An Introduction to PIVATS PSED"

PIVATS On-line Analysis Tool

Using the PIVATS 5th Edition and PSED milestones as the framework the on-line analysis tool enables schools to record and store assessment data electronically and to generate associated reports.
