"We use PIVATS daily within school, mainly across KS2 at the moment and the simplicity of the structure is something we do find incredibly useful. The small steps are achievable and allow children the opportunity to experience far greater success, while providing teachers an up to date and accurate report of where children are academically."

PIVATS 5th Edition Products

Raising standards of achievement within an inclusive education system is an essential expectation for all pupils. All young people in our schools have the right to receive an

The web page provides you with details of the PIVATS resources that are currently available to purchase.

You will see that there is a section, see below, headed up with the banner "Order Now"

Order Now

PIVATS 5

Assessing small steps of attainment, setting challenging but realistic targets and tracking pupil achievement and progress in Reading, Writing, Speaking, Listening and Mathematics.

PIVATS PSED

Assessing small steps of attainment, setting challenging but realistic targets and tracking pupil achievement and progress in personal, social and emotional characteristics.

You are then presented with a number of tiles containing the details of the respective resources. In the example above the tiles present are for "PIVATS 5" and "PIVATS PSED".

We will now demonstrate how to order PIVATS 5 milestones to illustrate the process which should be used when ordering any of the PIVATS resources.

By clicking on the hyperlink "PIVATS 5", circled above, you will be presented with further details above the PIVATS 5 milestones, including the links to enable you to place an order (see below):

The small steps are achievable and allow children the opportunity to experience far greater success, while providing teachers an up to date and accurate report of where children are academically."

PIVATS 5th Edition Products

Raising standards of achievement within an inclusive education system is an essential expectation for all pupils. All young people in our schools have the right to receive an education of the highest quality which is appropriate to their needs and aptitudes. They should achieve their full potential, regardless of special educational needs or disabilities, social or other contextual factors - and their achievements should be recognised.

Assessing small steps of attainment, setting challenging but realistic targets and tracking pupil achievement and progress are essential elements in this process.

PIVATS provides staff with a structured approach to assessing, planning for learning, tracking and measuring small steps in attainment. Using the PIVATS structure supports identification of small steps of progress within the PIVATS P Scale Milestones up to Milestone 4.

The PIVATS (5th Edition) for Listening and Understanding, Number, Reading, Shape, Space & Measure, Talking & Communication, Using & Applying and Writing is available in hard copy folder and electronic (PDF) format, priced as per the table below. We are now no longer predominantly office based and so there could be a slight delay in dispatching hard copy folder orders. The electronic (PDF) versions of the milestones will be e-mailed to customers with immediate effect.

Subject to copyright these products should not be duplicated or shared for wider use outside of your setting

To submit an order please follow the instructions accessible via the link: [Ordering and accessing PIVATS 5](#)

[Order PIVATS 5 Here](#)

As you can see above there is a link entitled "Order PIVATS 5 Here" (see circled above).

By clicking on this the resources which are available to order within this category are presented to you, see below:

[Log in to checkout](#) [Checkout as a guest](#)

To checkout you have two options. If you or your school already have an account, you should use the option "Log in to checkout". If you are not sure or indeed you are ordering resources for the first time you should use the button labelled "Checkout as a guest" (see green buttons circled above).

If you choose the first option to login to checkout you will be taken to the page below and required to provide your username and password using the button labelled "Login" (circled below in blue). If you want to register to create an account, you can do so using the button labelled "Register" (also circled below in red).

Log in or register a new account

The service that you are trying to access requires an account for My Services.

Clicking on 'Register' will open up a new tab in your browser, once you have registered an account and verified your email address you can return to this page and click 'Login' to access the requested service.
