

Statement of Reasons

Road Hump

Preston New Road, Preston

The proposals are being pursued as part of a Section 278 agreement under the Highways Act 1980. These proposals are being funded fully by the developer and are linked to the new fast food takeaway restaurant development and associated planning conditions.

The purpose of the road hump on Preston New Road is to support and self-police the speed limit in the interest of highway safety for all users, allow safer passage of pedestrians and mitigate against the increase in traffic from the new development.
