Bus Stop Clearway

Preston Road, Preston

This proposal is being pursued as part of a Section 278 agreement under the Highways Act 1980. This proposal is being funded fully by the developer and is linked to the new college accommodation development and associated planning conditions.

The purpose of the Bus Stop Clearways is to support the upgrade of the existing bus stops to quality bus stops. This is to allow the buses to pull in and out safely and allow effective enforcement. A raised boarding platform will also be installed to ensure safe boarding and alighting of mobility impaired passengers and ensure the bus stops are fully mobility compliant.
