

Safer Roads Fund
Pointer Roundabout, Lancaster

STATEMENT OF REASONS

The proposals are required to support the safe operation of new parallel crossings, marked priority crossings and segregated/shared-use pedestrian and cycle facilities at Pointer Roundabout. The measures will improve safety for pedestrians and cyclists, maintain visibility at crossing points, reduce conflicts between different road users and assist the safe and efficient movement of traffic through the roundabout. The proposals will also encourage active travel by providing safer and more accessible walking and cycling routes.

These proposals include the following:

- Shared and segregated cycleway / footway to provide a safe, accessible, and inclusive route for both cyclist and pedestrians, encouraging active travel while minimising conflict between users.
- Pedestrian crossings to improve safety, support active travel and provide a convenient and accessible crossing points for pedestrians and cyclists.
