

Statement of Reasons

Controlled Crossing

Stanifield Lane Area, Farington

The proposals are being pursued as part of a Section 278 agreement under the Highways Act 1980. These proposals are being funded fully by the development linked to the new cricket ground and the future housing development and the associated planning conditions.

The purpose of the proposed Toucan crossing is to provide a safe crossing point for cyclists and pedestrians to promote sustainable travel and promote social inclusion. The proposal seeks to mitigate against the increase in traffic and pedestrian movements generated by the new developments.
