

Levelling Up East Lancashire Project

Safer, Healthier, Greener Streets

Hall Carr

These proposals form part of the Levelling Up East Lancashire project. They aim to deliver improvements in local neighbourhoods through:

- Improving local streets with better connections through new or improved crossing facilities and pathways.
- Enhancing streets and public spaces with new planting and seating.
- Creating safer street environments that makes it easier for people to walk, cycle or wheel to local places.
- Improving facilities at local parks and providing new public green spaces.
- Improving road safety by discouraging pavement parking at junctions,
- Improving sight lines for people trying to cross the road and reducing traffic speeds.

The proposals will work together to create a safer environment for pedestrians, cyclists, and vulnerable users, whilst also improving public realm in the area. The intention of the scheme is twofold, to:

- Foster a sense of pride in local communities by creating safer, greener neighbourhoods and revitalised public realm.
- Increase active travel uptake to improve health and wellbeing and reduce health inequalities.

These proposals include the following:

- Introduction of raised tables and junction tables to reduce vehicle speeds and improve road safety particularly for pedestrians and vulnerable road users.
- Removal and relocation of the existing bus stops on; Cherry Crescent, Fallbarn Crescent, Hall Carr Road and Lavender Hill to more suitable positions to enhance user experience and provide suitable shelters for waiting and boarding.
- Introduction of additional bus stop clearways to facilitate the safe and efficient operation of bus services by preventing obstruction at bus stops and ensuring buses can enter and leave stopping areas safely
