

Statement of Reasons

Parking Order

Berry Way, Chorley

Concerns have been raised regarding large vehicles parking obstructively on Berry Way, causing sightline and access issues for other highway users when entering and exiting adjacent junctions on Berry Way.

It is proposed to introduce No Waiting at Any Time and No Loading at Any Time restrictions along Berry Way to prevent obstructive parking and ensure the safe movement of vehicles and other road users including pedestrians.

The proposals are being pursued as part of a Section 38 agreement under the Highways Act 1980. These proposals are being funded fully by the developer and are linked to the new housing development and associated planning conditions.

REASONS UNDER Section 1 of the RTRA

- (c) for facilitating the passage on the road or any other road of any class of traffic (including pedestrians)
