

Statement of Reasons

Speed Limit 20mph

Lucas Lane, Whittle-le-Woods

The proposals are being pursued as part of a Section 278 agreement under the Highways Act 1980. These proposals are being funded fully by the developer and are linked to the new housing development and associated planning conditions.

The purpose of the proposed 20mph speed limit is to improve the safety of motorised and non-motorised users, mitigating against additional traffic flows and pedestrian movements from new housing development.
